News From the Officers

Hello All,

First off, congratulations to owners Clayton Ashmore, Sam Ashmore, Sharon Watson and dog Watson on winning the 2019 Quail Invitational. It's another notch in the belt for an incredible dog and nice young handler. Sharon was absent as always when Watson took the field as she doesn't want to distract him from the job at hand. Mr. Etienne Lavoie finished second with the son of Shadow Oak Bo in the Central Canada region. We will definitely be seeing more of him in the future!

If you haven't thrown away the last copy of our magazine, please read the wonderful article on page 14 written by Mr. John Apostolis from Ontario, Canada. It's a great story about how John took a chance on an NSTRA trial. The openness and friendliness, and welcoming nature of the people involved has made him fall in love with our sport. Its people like John and the Central Canada region that ensures our organization can and will continue to thrive into the future. Keep an eye out for more articles to appear that will continue to improve the organization and the magazine to bring our members information to help make you, the weekend trialer more successful in your regional trials.

Currently, we have a national committee in place to provide you, the member, and your region with new ways that we, the National office, can aid and assist you in inviting new members to our great sport. These will be announced at our Trial of champions board meeting in April. Please make sure your region president or his or her representative can be present to get input on these great new programs. This is the ONLY way the National officers can get important information back to you the member. It is vital the you call your president and continue ask and remind them to let you know what is going on in OUR organization.

As always, until next time, remember to be honest and fair with all your dealings. Treat others as you would like to be treated; obey our rules and guidelines; don't try find a loophole or use an excuse. Integrity will always earn more respect than an ill-gained win. Thank you and let's continue to enjoy our great sport!

Ron Huels

IMPORTANT THINGS TO REMEMBER!

Purina Endurance Classic:

Entry into this trial will be based on all open points earned from June 1 through May 31. Points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial do not count; however, points from qualifying rounds do count.

TOP PERFORMANCE:

Dogs must have at least 20 open points from June 1 through May 31 of the applicable year to be eligible. Points will be from weekend trials only. From there, the award will be based on national trials and regional eliminations. The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1 in order to keep the number of nationals the same each year. The Regional Elimination trial will be based on regularly scheduled regionals for each year and only one regional can count per year. Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. For national trials, a dog must make the Saturday cut to receive a qualifying score. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1 – 800, 2 – 775, 3 – 750, etc.). In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1 – 600, 2 – 575, 3 – 550, etc.). In addition, 100 points will be awarded to the Champion, 75 for the second place dog, 50 for the third and 25 for fourth. The placement for the regional eliminations and national trials is determined by the score of the last round in which the dog ran.

HALL OF FAME NOMINATIONS:

Hall of Fame nominations will be accepted November 1 through March 31 of each year. Send these to the office. Nominations of dogs to the NSTRA Hall of Fame are NOT "carried over" to following years should the dog not be elected in the year nominated.

Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted each year in order to be considered for election.

TRIAL SCHEDULES:

Fall trial schedules are due in the office by May 1. Spring trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

SCHEDULING FEES:

Trial scheduling fees are requested in the NSTRA office at least 4 weeks prior to your trial date in order to mail the packets on a timely basis.

TRIAL REPORTS:

Trial reports are due in the NSTRA office 10 days after the trial date.

QUAIL INVITATIONAL:

This trial is always held the last week in February that includes a Saturday. The qualification period for this trial is Nov. 1 through Oct. 31. This includes all points earned during the time frame, except points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial (qualifying rounds do count). Entry into the trial is based on points (dog with most points first to get in and on down the list, etc.). NO INVITATIONS WILL BE SENT. Any dog with a placement during the specified time frame will be eligible to enter. Amateur points do not qualify entry into Championship trials.

TRIAL OF CHAMPIONS:

The criteria for entry into this trial is that the dog has earned an open championship and is at least a 1X open champion by February 1 of the current year OR the dog can be a paid standby for this trial by achieving their open championship between February 2 and March 31 of the current year.

UKC PERFORMANCE CLASSIC:

The qualification for this trial is points earned from April 1 to March 31. Weekend trials only. No points from qualification or final rounds of national championship or regional championship trials will be counted.

DOG OF THE YEAR:

This trial will begin on Wednesday of the last full week of October. This trial is based on region elimination placement and/or high point status. All entries must be postmarked 45 days prior to the first day of the Dog of the Year trial. (NO INVITATIONS WILL BE SENT.)

HOME REGION:

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1 and January 1. *Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at anytime to request a change in their Home Region.

ASSOCIATE MEMBERSHIPS:

Associate memberships are available to members' spouses and children 18 years and under, still living at home. There must be at least one regular paid membership in the household to qualify. Associate members have the same rights as regular members EXCEPT they are unable to vote in any regional or national elections including rule or by-law changes, they cannot hold an office, and they do not receive a magazine.

RULE CHANGES:

Proposed new rule changes or additions shall be submitted sixty (60) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

CONSTITUTION/BY-LAW CHANGES:

All proposed amendments to the Constitution and By-laws shall be submitted to the National Officers at least ninety (90) days prior to the first day of the Trial of Champions or the Dog of the Year trial.

IMPORTANT THINGS TO REMEMBER!

REGION HIGH POINT:

Points earned in the qualifying rounds of a Regional Elimination or a Championship trial DO count towards the region's high point competition. Points earned in the finals of above trials DO NOT count towards the region's high point.

OWNERSHIP CHANGE:

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of the papers with the new owners' names to the office. Transfer copies will not be accepted. The date of transfer will be the date shown on the papers.

FIRST TIME PLACEMENTS:

The National Office now requires a copy of the dog's registration certificate for first time placements. This can either be submitted by the owner or the trial chairman. We will accept copies by fax (317-839-4197), e-mail (office@nstra.org) or a photocopy by regular mail.

NSTRA Distinguished Members:

The NSTRA Distinguished Members award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. This award will be presented annually at the Dog of the Year banquet. Nominations are to be submitted by August 31. A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included if available. Contact the NSTRA office for a list of criteria.

The committee will review all nominations and verify contributions. Decisions will be made not only by the information submitted but by any other information collected.

The committee will make their decision by September 30. A permanent plaque will be located at the NSTRA office with a smaller plaque awarded to the individual or their family if deceased.

Getting Started!

The best way to really know how a field trial works is by coming to one...

SPECTATORS WELCOME!

Have you heard that NSTRA field trials are a ton of fun and easy to get started in? If you hadn't, I'm here to tell you. Now I know that even easy things that are unfamiliar can seem overwhelming at first, so I'd like to share some basic information to help you get started.

Topics I will cover:

- How to get a better understanding of how a field trial works
- How to find a field trial
- How to prepare your dog
- How to prepare yourself

How does it all work?

Seeing is understanding. The best way to really know how a field trial works is by coming to one. Spectators are welcome at any NSTRA trial and you can be sure that there will be a number of friendly people at the trial that will be happy to talk with you about the trial. Some trial grounds allow you to see some of the action up close from the gallery. If the judges have multi-seat UTVs you can ask to ride and observe a brace. When you are observing, watch both the dog and the handler. Watching the dog will help you understand the level of training and the skill of the dog needed to compete. Watching the handler will help you understand how you need to work as a team, using strategies such as how to cover the field, how to position yourself with the other handler and how to handle the dog.

Where are NSTRA field trials held?

Each NSTRA region has geographic boundaries in which their trials are held. Within those boundaries many different locations can be utilized for trials. Private ground, game preserves or state/park land is utilized as it is available and suitable for trials. The location for each trial is the responsibility of the trial chairman and host club. With 31 regions across the US and Canada, there is likely an opportunity to attend a trial near you!

What do I need to do to prepare my dog for a NSTRA field trial?

The minimum level of training for your dog should be that he will stay firmly on point until you, the handler, flush the bird. Once the bird has been "moved from its resting place", the dog can break and chase. In some situations this may be as little as the bird running away from you, or "popping" a short distance and landing, if the birds are poorly performing in their ability to fly. The judge should announce to you that this is a "good bird" and you will likely be asked to collect the bird from your dog, and then throw it for your dog so that he can be scored for a proper retrieve.

A non-comprehensive list of factors that will raise or lower your "find" score:

- Upon good scent contact, immediately locks into a point (higher)
- Stands steady through long flush attempt (higher)
- Excessive "roading" into a bird after scent contact (lower)
- Forward movement after establishing point, not due to handler relocation (lower)

The dog should retrieve the bird to hand, or within one step of your location when you shot the bird in order to be scored. If the dog fails to bring the bird all the way back you will receive no score.

A non-comprehensive list of factors that will raise or lower your retrieve score:

- Mouthing, tossing or dropping the bird (lower)
- Slow return or indirect route of return to handler (lower)
- Especially long retrieves, blind retrieves, water retrieves (higher)

In addition to the training your dog should be well conditioned. Your dog should be able to run and hunt for the full 30 minute duration of the brace. Weather during trial seasons can be warm. A dog that is not conditioned to run in warm weather can quickly tire and may become overheated.

How should I prepare for a NSTRA field trial?

There are a lot of factors that you will eventually learn as you gain experience, but there are some easy ones I can list out that can and should be done prior to your first field trial.

- Practice your shooting! Half of the score comes from the retrieve and if you miss the bird there's a good chance you will not get the retrieve.
- Get on the treadmill! Handling in a trial can be a strenuous task. You will be following your dog around a field with inclines, ditches, uneven terrain, mud, etc. and in many cases in warm weather.
- Remain calm! Even experienced field trialers can get excited in the field and this can lead to mistakes, or in the worse case, a safety situation. Remind yourself to slow down and always choose safety over all else.

I hope that this has been informative for a beginning NSTRA field trial participant. I encourage you to reach out to your local region to learn more about when and where their upcoming trials will be held. ■

Being a better handler.

The semi-monthly magazine arrived yesterday and I had a chance to sit and read it cover to cover. I enjoyed the article written by John Apostolis about his story on his introduction to NSTRA and the creation of the Southern Ontario region. One thing that stuck out especially to me was this statement: *“The second issue, was learning the system and strategy and we quickly learned there was a lot of strategy involved.”*

This was something that I had realized fairly early on when I started in NSTRA as well. Sure, your dog must be able to perform well to win, but there is plenty you can do as a handler to either make or break a run. Consider this scenario: your dog has pointed a bird moments after the brace starts, and woah boy it's on now! You hustle up towards your dog, while cramming shells into your gun. All you can think about is how this is going to be the start of a 5 bird run that will put you on the podium at the end of the day. You are now in front of your dog and are searching for the bird when the flutter of wings sound out from over your shoulder, you turn and fire a shot but it's behind the bird. The bird is now flying directly at the gallery and you must call a safety. Your dog, ever faithful to retrieve your game, chases. The bird has disappeared into the collection of trucks and you spend 3 minutes getting him back in the field. In the meanwhile, your brace mate has found and scored one bird and is well on his way across the field to the next. You are now at a disadvantage that will most likely end up costing you that placement you were dreaming about.

Competition in NSTRA is tough, so when the breaks go your way you have to be able to take advantage of them to win. Being a head's up handler will greatly improve your ability to capitalize when your dog is on his game so that your team work can result in a placement.

Tips for being a better handler:

The scenario I described above is just one of hundreds of things that can happen in a trial that can hurt your chances of placing. Could you have for sure prevented that from happening? Of course not, but there are practices you can follow which will allow you to make your own luck more often than not because you need all the luck you can get! Here are a few tips that I can offer from my personal experience.

- Have a basic strategy, a backup plan, and objectives
- Which way should you go from the break away based on wind direction, terrain, etc? Will your plan change if the other handler goes that way? The other dog is on point, do you try for the back or leave the area to find another bird?
- Don't let things get too fast
- Take a moment to collect your thoughts, be intentional about your next action. Take in your surroundings and factor them into your decision. Where are the judges, other handler, boundaries, obstacles to avoid, etc?
- Trust your dog
- There is such a thing as over handling. Your dog has the nose that can smell birds, not you. Unless you have an exact mark on a bird, put your dog in the general area and let him work.
- Pay attention to the entire field
- If the other dog has scored two finds on the back end of the field, you should know this and get to the uncovered area of the field quickly.

REGIONAL TRIALING

The National Shoot To Retrieve Association (NSTRA) was founded by a group of dedicated bird hunters looking for a way to extend the fun they enjoyed with their bird dogs after their season ended. Field Trials, under hunting conditions, were the answer. Field Trials provide an extended the season, a sportsmanlike environment and competition with others who enjoy bird dogs.

Send all Regional Trial information, highlights and photos to NSTRA office to be placed in the next publication.

Razorback New Years Trial Jan 5 & 6, 2019

What a great trial it was at Charlie Nichols Field in Monticello for the Razorback Club's New Year's Trial. Beautiful weather and a very competitive group of open dogs. Perhaps the MVP of the trial was Dollie Jo Cloud's Cajun cooking. The afternoon braces almost had to be canceled because of the handlers eating too much! The field is in the best shape in years with good cover. Many thanks to Rob Daniels and his daughter Rachel for chairing the trial. Both did a stellar job. Thanks to our judges and to Daniel Light, the bird planter, for keeping the trial moving and on time. Ron Huels, NSTRA President, was a welcome guest as well as "Bean" the National High Point Dog. Handlers from five states competed. We were also delighted to watch Jacob West continue the trialing tradition of his grandfather, erstwhile trialer J.D. West.

Shining Star For NSTRA

Busy, busy, busy is the only way to describe the action at the Quail Invitational in the last week of February each year. Trialers are all working diligently to make it to the next round. But something happened along the way, that the entire membership needs to know about. A national Judge, Ron Becker (IL) was working that trial. In the evening he came to me and reported an incident on A Field during the later rounds of the trial, when everyone is nervous, and wants to advance to the next round. In the middle of the afternoon along the levy behind a tree, the dog points. The judge rides up and the handler asks the judge, "May I throw the bird?" the Judge said, "Yes." The handler threw the bird in the air, and it appeared to the judge that the bird was dead. The dog immediately grabbed the bird and made a beautiful retrieve. As the handler handed the bird to the Judge, the Judge looked the man in the eye and said, "Clayton, was this bird dead?" and the honest Mr. Ashmore replied, "Yes, judge do not score that bird."

When I heard this, I had to stand still for a minute, my hair stood up on my arm. I know that I am 70 years old, but I was extremely proud of a young handler from the Florida region that afternoon. That judge went on to make contact with this young man's parents, Sam and Nancy Ashmore to tell them what all took place that day behind a tree. We all should take notice of what a fine job Mr. and Mrs. Ashmore did raising an honest man. When it meant the most for him to advance, Clayton Ashmore took the high road and stood tall and told the TRUTH. NSTRA and Florida region should be proud to have Mr. Clayton Ashmore as our member as well as the winner of the 2019 Quail Invitational.

So down the road when any of us see Sam, or Nancy congratulate them on their son. When you see Clayton Ashmore, congratulate him on being the 2019 Quail Invitational winner, but more importantly for being Honest and Truthful and not trying to bend the rules! ■

...extremely proud of a young handler from the Florida Region that afternoon.

Florida Quad Trial

4 Trials: Including a Double Amateur Trial

As the sun sets on another Quail Invitational pre-trial (14 trials, including a double amateur trial), we can say what a fun weekend; although it was beginning to feel a bit like the movie “Ground Hog Day”. We had chamber of commerce weather all week and folks really enjoyed themselves. It was really fun to sit back and listen to the handlers who came back feeling great that their young dog backed or had a great retrieve during the amateur trial. No pressure, just having fun with their dogs.

A huge thank you goes out to Tina and George Sterner, Nancy and Sam Ashmore, Dominic Boucher, Manon Chamberland, Michele Parient, Tami Alvarez, Bruce Van Vliet, George and Lisa Sterner IV, Will and Irene Heddon, Butch and Donna Butler, Paul and Kim Thompson. All volunteered to judge, marshal, bird plant, etc. and who pitched in when we needed help! A special thanks also to our “go-to” people, Larry Lott and Nina Harmon!! NSTRA is truly a family....

We thank everyone who helped with the hospitality night --- that is always such a fun night and the oysters and shrimp always go over very big and the folks really enjoyed the evening and camaraderie. This year we have made a bunch of new friends from our Central Canada region. We have heard they are coming back again next year and some of them for longer period of time. They’ve decided the Florida Sunshine is a whole lot better than drifts of snow and cold....

We had a lot more families this year and it was great to see so many kids either running around, playing with awesome trucks in the sand or fishing from the docks behind the clubhouse. Bet a lot of them had no problems falling asleep at night, but WOW they really had fun, fun, fun...

Thanks again folks and we forward to welcoming all of you again next year.

Meeting of the minds! Tytuss Rudd, Jim Mahoney, Sam Ashmore, Suoyee Rudd

31st NATIONAL NSTRA QUAIL INVITATIONAL

Seasonably warm weather was just the trick for drawing NSTRA members from throughout the United States and Canada to Lake Wales, Florida for the annual Quail Invitational Championship. Besides the 128 entries to the trial we were also fortunate in having 21 paid bye dogs in case of dogs having to cancel out for one reason or another. The Central Florida Field Trialers held a 3 day trial prior to the event allowing everyone to trial on their respective fields on which they would run for their championship runs. Sharron Watson and Tina Sterner were responsible for making sure the trial ran and ran smooth. Many thanks to these two gals and the CFFT club for hosting the Pre-Trial. As always, the Sterner and Ashmore families hold a Welcome Evening on Wednesday before the Championship event with fresh shrimp and oysters, plus many extra dishes donated by members of the club and participant wives. A delicious breakfast was provided each morning of the trial with Butch Butler and Will Heddon at the helm. Each morning we were served bacon, biscuits and gravy and of course grits. A great way to start the day. Lunches were served by Paul and Kim, site manager and wife and were also fit for a king.

The trial kicked off with the singing of our National Anthem at the flagpole led by National President, Ron Huels. The officials had attended an earlier meeting with Chairman, Marilyn Cunningham and Co-Chairman, Mikeal Mulberry to explain boundaries and field assignments. The first brace was scheduled for 7:30 a.m. and handlers, dogs, and field officials headed to their respective fields. Judging A field were Bodie Ray and Jimmy Johnson – Georgia. Nina Harmon – Kentucky served as field marshal with Casey Perdue handling birds for A & B fields.

At the end of the day, each field had showcased 16 of their top scoring dogs to be drawn for the Friday running of 16 dogs on each of the four fields. From that run, we would draw the top 8 dogs from each field to run afternoon braces of 4 on each field.

Thursday evening everyone was treated to a pulled pork dinner with all the trimmings and many handlers called it an early evening in preparation for Friday's running.

Another Florida day was the order for Friday's running of the Top 64. Where else can you run in shirtsleeves during February except in sunny Florida? We are thankful for the CFFT people who open their facilities to us each February and make everyone feel "right at home"

Rick, John R. and Nancy brought dogs to the line for the first of eight after Sam had completed the plant on A Field Friday morning.

Immediately following the 8 braces, all fields headed to the clubhouse for lunch and a short break between rounds while pictures were taken of Thursday's finalists. The next round of 4 braces in each field was drawn and marshals made cards and scoresheets for the afternoon competition. And a tough competition it was. We would have several NSTRA champions and a number of National Champions in the mix, so it was anyone's guess as to who would be back for Saturday's running. The weather was warm and a lunch break was a welcomed retreat for handlers and dogs. The four braces of the day went to their respective fields at approximately 1:30 p.m.

Although there were only 12 braces for the day, it was still an exhausting day with the heat in the 80's. However, there was no complaining about the weather. A breeze blew most of the day and compared to what most had to travel back to, it was a good day.

Saturday dawned a tad foggy, but nothing to hold up the first braces. The following qualification rounds would run on A and B field with Jimmy and Bodie judging A field while Ron Becker handed the marshalling. Four dogs from each field would advance to 2 braces on each field. Sam would handle the birds for this round. Those advancing were Sarge, Colt, Jimmy and Modelo.

We would continue after a short break with the 2 braces on each field. Ron and Stan would judge A field with Bodie marshalling. That running follows: Watson – 618.5 *** and Modelo -305. Jimmy-669*** Babe - 550.

On B field Donny and John scored Oscar at 624*** with Sarge at 488.5 ; Auggie – 262 and Colt - 798*** advancing Oscar and Colt to the final 2 braces running on B field.

Donny and John would again judge the next 2 braces with Casey handling birds and Ron Huels and Bodie in a combined effort as marshals. These 2 braces would determine the final 2 who would run for the Championship and also determine 2nd and 3rd runner-up. The first race was Scott with Jimmy who scored 431 – not enough to move on and his bracemate Colt with Etienne who would advance to the one- hour final scoring 705 points. The 2nd brace was George with Oscar scoring 509 points against Clayton with Watson's 679 points who would also move on to the Championship Round.

At this point, we would break for one hour as per NSTRA rules for Championship runs. Ron and Stan would judge the final brace with Bodie and Ron H. marshalling and Casey handling birds in the combined A plus B field. The Championship running usually utilizes approximately 80 acres with 10 birds spread throughout the entire field. Lunch was served in the clubhouse and the final run would begin at approximately 2:00.

As trial officials made ready for the hour, Casey placed birds throughout the field with onlookers in the gallery, in trucks and on ATV's watching and wishing both handlers the best of luck.

Coming to the line, B field was chosen by the handlers for their first cast with Watson pointing first and Colt heading on deeper in the field. The brace had not reached the half way mark when the judge called for a bye dog to finish the brace. Clayton was instructed to hold his dog while Colt was picked up due to an injury. T. O Finchum agreed to finish the brace with Willie as the bye dog and the brace resumed. Watson finished strong and at

the end of the hour had scored on 7 finds 80,82,78,83,82,82,82 points, 7 retrieves A,80,81,81,82,84,A points, 62 obedience and 85 ground coverage totaling 1287.2 points. Miss Sharron met her co-owner/handler as he emerged from the field with a big hug and congratulations along with the rest of Clayton's family and well-wishers.

It was time to head to the clubhouse for the highlight of the trial – the trophy presentations. On hand during the trial were sponsor reps Dean Reinke, Purina Representative along with Mike Perry, Garmin and Jamie Dunlap, Quail Forever. We can't say enough about the boundless sponsorship we receive from each of these entities and our thanks go out to each.

Dean would present 450# of Pro-Plan to the winner along with the winner's jacket, 225# to the 1st runner up and jacket, 125# to 2nd and 3rd along with the jacket. He would also present the Garmin collar to the winner and gift certificates from Garmin to the other 3 placements. Other gifts included dog food storage bags from Boyt Harness, Gift Certificates from Dogs Unlimited, large coolers from Quail Forever, and T-shirts from J.B.'s restaurant. NSTRA donated gifts included 12 piece Knife Sets, Trophies, and \$25 Cabela's gift certificates. Belt Buckles are donated each year by the Florida Region in memory of Pap Heddon. Again, our thanks to all those who donate to each of the Championship events in NSTRA.

Fifth runner-up was Taylor's Sergeant York – Sarge – 9 year old English Pointer owned and handled by Russ Taylor – Illinois. Sarge is from Rawdin's Gunshot Chief and Taylor's Copper Molly. She is a 4-time NSTRA Champion. Congratulations Russ, Charlene, and Sarge.

Fourth runner-up was Foothills Queen of Spade – Babe, 4 year-old English Pointer female owned by Paige Lee – South Carolina Region and handled by David Deaton – Kentucky Region. Babe is from Ace High Spades and Nolan's Kentucky Meg. She is a 1- time NSTRA Champion. Congratulations Paige, David and Babe.

Third runner-up was Crosswind Jim – owned and handled by Scott Townsend -Michigan. Jimmy is a 3 year old, 3- time

NSTRA Champion and having won the 2018 DOY Trial is now a National NSTRA Champion. He is from Mahoney's Magic Jack and Singleshot Cinnamon. Jimmy has accumulated 61 lifetime points of which 37 are 1st place points. His first placement was at Wooster, Ohio in March, 2017. In May, 2017 he won the Michigan Regional Championship. In 2018 Jimmy won 2nd runner-up during the Michigan Regional. He placed 2nd during the MI-OH Region Challenge and won the 2018 Dog of Year Championship in October, 2018. His championships dates were 1st – 3/18/18; 2nd – 9/218; and 3rd – 2/919. Hats off to Scott and Jimmy for another fine week.

Second runner-up, Smoke Creek's Oscar IV, is a 12 year old German Wirehair Pointer, owned and handled by George Sterner IV, Florida Region. Oscar is a 5-time NSTRA Champion with 123 lifetime points which 57 are first place points. His sire is St. Croix Easy Money and dam – Smoke Creek's Luschi. Oscar's championships follow: 1st – 12/29/12; 2nd – 5/25/13; 3rd – 12/14/13; 4th – 1/22/14; and 5th 2/22/15. His first placement was on 1/8/11 at a CFFT trial. Oscar also placed 2nd during a qualification run of the 2014 QI trial. In 2018, George and Oscar placed 3rd during the Pap Heddon Memorial Trial in Lake Wales, FL. The Sterner Family is comprised of George, 3 sons and wife Lisa. Congratulations to this special family.

First runner-up, Smith's Shadow Oak Colt, is a 4 year old English Setter male owned and handled by Etienne Lavoie, Canada Region. Colt is from Shadow Oak Bo and Stinnett's Comanche Bee. He is a 3-time NSTRA Champion with 64 total points of which 38 are first place points. His first placement came on 2/21/17 at a CFFT trial in Florida. From that point on, there was no stopping Colt. He championed on 1/13/18, earned his 2nd on 7/3/18 at a regional elimination and 3rd on 1/12/19 at another CFFT trial. Colt also won the CC Regional Championship on 7/13/18. In 2017 he won a qualification round at the DOY trial and was 3rd -runner-up at the 2018 DOY National Championship. Our sincere best wishes go out to Etienne, Manon and Colt for a great trial and hopefully a speedy recovery.

And the WINNER, for the 3rd time in his 7 year career, is TJ's Micro-Tequila Watson, Brittany Male, owned by Sam and Clayton Ashmore and Sharron Watson, Florida Region. Watson was named for Sharron's late husband, Bruce and is pretty typical of Bruce – a sweet, fun-loving man. Watson is from Shale Valley's Microteq Bullet and Mel's Ginger. He has 192 points, 10-time NSTRA Champion, and 3-time National NSTRA Champion. Watson earned his first championship 10/24/13 with 9 more to follow. One in 2014, 3 in 2015, 1 in 2016, 2 in 2017, 1 in 2018 and 1 on 1/20/19. His first placement was on 1/13/12 in Arlington, Tennessee. In 2014 Watson won the TOC Championship in Amo, In; 2014 was 3rd runner-up at the DOY Championship; was the 2015 DOY National Champion and in 2017 was the Florida Regional Champion. Quite

a history for this little guy with a big heart. Our Congratulations to the Ashmore Family and to Sharron who has become a special part of the Ashmore Clan and Brittany Mafia. Per Clayton, Sharron and Nancy "This "little man", as Clayton refers to him, is a pleasure to handle in or out of the field. He is such a happy dog in the field and with a lot of heart and loves what he's doing; he's also a big hugger. There's not much else to say about Watson except he is a heck of a bird dog!

Clayton said "I couldn't be prouder of my little man for what he did at the QI. He gives me 110 percent and sometimes more when I need it the most. Thank you so much Watson and we are so proud of you for becoming a 3 time national champion buddy."

Clayton has been around the bird dogs and NSTRA since he was a little kid. Sam had him out in the fields and planting birds practically since day one. This "kid" is a true example of what a kid growing up in NSTRA can become. He's handled various breeds of dogs in their kennels, judges, and was a bird planter. He also loves to fish, deer and hog hunt.... When he switched over to the "dark side" from pointers and setters, he would say Ms. Sharron, but it's a Brittany.... Then all of sudden it was "Dad can handle those crazy pointers", I'll stick to the Brittany's....

It was another good trial and we want to especially thank the CFFT bird dog club for their hospitality. Also, to Larry Lott, who was the chief mechanic during the trial to keep all ATV's running up to speed. To those who helped with the meals another thank you. To Sam Ashmore who keeps us in strawberries, we appreciate those wonderful Florida berries. I'm sure Donny Parker ate at least a flat with help from the Ron's, Bodie, Stan and whoever else might wander along every evening.

It was good to meet Jamie Dunlap with Quail Forever and hope for a lasting relationship with this great organization. It's always enjoyable to have Dean with us to answer questions one might have about ProPlan or other Nestle products. The Blueberry Laraways were once again with us – we enjoy having them. And new to the Championship scene was Sam Chandler who is no stranger to NSTRA. His Dad, Dave, has judged many a championship event and has raised a great young man.

I'm not sure if all got their fill of seafood, but if not, they should have. Handlers and families frequent the many restaurants and attest to the great seafood. Thanks to all the officials; they are some of the best and also to Ron Huels, who helped wherever he was needed. This was also Manon and Dominique's first Championship event but no one would have known as these ladies stepped up to the plate as pro's. ■

Until the TOC, hoping spring comes soon for those Northern states and everyone meets again in Amo.

HOW TO HELP YOUR BIRD DOG DE-STRESS

There are a number of culprits that can stress a dog out, such as separation, unfamiliar visitors, a change in weather, loud noises or novel sounds. Sporting dogs, in particular, could demonstrate anxious behaviors over a disruption in routine or location, whether it be due to travel or going to a new trainer.

“One of the biggest stressors for bird dogs especially is inactivity,” says pro trainer Ike Todd of Wright Kennels in

Somerville, Tennessee. “A dog’s anxious behavior is best controlled by regular physical and mental stimulation. Anything you can do to keep your bird dog active, such as running, roading or providing a more spacious kennel or outdoor enclosure, will help promote calmer behavior.”

“What’s more, a dog showing anxiety about training situations, in particular, even after he or she has been adequately exercised, will sometimes respond better when worked with more well-adjusted dogs,” Todd says. “A dog learns by association and being around other willing participants can help boost his or her confidence.”

Anxious behaviors in a dog typically are signaled by pacing, reluctance to accept treats, and excessive barking or panting. An anxious dog living in a state of chronic physiological stress may be prone to chronic health issues.

“It’s important to talk to your veterinarian if your dog is displaying undesirable behaviors,” says Purina Director of Veterinary Technical Communications Jason Gagne, DVM, DACVN. “What might be perceived as just a characteristic of a particular breed or part of a dog’s personality could really be an anxious behavior that needs attention.”

Follow these tips to help manage your dog’s anxious behaviors caused by external stressors.

1 EXPOSE ‘EM EARLY

First things first. Learning to cope with stressful situations begins during puppyhood. Puppy gyms, or boxes made of PVC frame with various dog toys suspended from ropes or plastic chains, can promote early socialization and sensory stimulation, the foundation for a well-rounded, adaptable dog.

“Anything that involves physical and mental activity for young pups is good,” says Todd. “The more a pup is exposed to, whether it’s a puppy gym or true field-like conditions, the better he or she will be prepared for life as an adult.”

Do your homework before buying a pup and check with prospective breeders on their socialization philosophy.

2 DON’T SET AN EXPIRATION DATE

A pup should be introduced to the world outside the whelping box, and socialization doesn’t expire once a dog enters adulthood. Continue exposing your dog to new people, places and experiences throughout his or

her life, ensuring positive interactions by using common sense and safety considerations.

“Socialization throughout a bird dog’s life is best accomplished through time spent in the field,” Todd explains. “Dogs love it and thrive on it.”

3 MAKE NOISE

A dog should be exposed early and regularly to household noises such as the vacuum cleaner, blow dryer, blender, washing machine and clothes dryer, as well as outdoor noises such as the tractor, lawnmower, weed eater, blower and all-terrain vehicles. Furthermore, a sporting dog should have an early gradual introduction to especially loud sounds to reduce fear of noise.

“Early exposure to loud noises is ideal for a bird dog, provided it’s in a controlled environment,” Todd advises. “Any loud noises should be introduced from a safe distance away initially and be associated with something enjoyable, such as eating or playing, so that whatever is being introduced is associated with a positive experience.”

4 PRACTICE MAKES PERFECT

Ensure your dog is well-accustomed to travel before leaving on any trip. Start by putting your dog in a crate

and taking him or her on short errands, increasing the length of time each trip, to gradually condition the dog for riding in a vehicle. The more comfortable your dog is in the car, the longer he or she can ride.

To further desensitize a dog to travel, give him or her plenty of exercise prior to traveling. “Just like a tired child travels better, so too will a bird dog,” says Todd.

5 CALM DURING THE STORM

“A dog with storm anxiety should be given a safe, confined and comfortable space for the duration of a storm,” says Todd. “Anything you can do to help put your dog at ease can help alleviate his or her fear of storms.”

Keep your dog distracted during a storm by offering his or favorite toys and treats and playing light music to drown out rumbling thunder. Products such as the Thundershirt can also help ease storm anxiety.

6 RELAX TOGETHER

A dog depends on his or her owner for security, so patience and persistence on your part is key to helping your dog be stress-free. Always keep desensitization sessions short and fun, offering praise or a treat for positive interactions. ■

PURINA PRO PLAN VETERINARY SUPPLEMENTS LAUNCHES PROBIOTIC BREAKTHROUGH FOR HELPING DOGS MAINTAIN CALM BEHAVIORS

What if you could help support your dog with a probiotic to help him or her stay calm? *Purina Pro Plan Veterinary Supplements Calming Care* is a canine probiotic supplement available through veterinarians containing *Bifidobacterium longum* (BL999), a probiotic strain shown to help dogs maintain calm behavior.

“The gut is sometimes referred to as a ‘second brain’ because of the bi-directional communication between the gut and the brain,” explains Purina Director of Veterinary Technical Communications Jason Gagne, DVM, DACVN. “There is scientific evidence that manipulating the gut bacteria can also have a positive influence on dogs displaying anxious behavior. For example, *Bifidobacterium longum* (BL999), the probiotic found in Calming Care, has been shown to help dogs maintain calm behavior.”

“Different strains of probiotics have different

effects on the body,” Purina Research Scientist Ragen T.S. McGowan, PhD, says. “In a 15-week blinded crossover design study, we evaluated the effects of administering BL999 to 24 Labrador Retrievers that demonstrated anxious behaviors. By the end of the study, 90 percent of dogs showed an improvement in displaying anxious behaviors, such as excessive vocalization, jumping, pacing and spinning. Dogs in the study also showed improvement in physiological factors, including positive cardiac activity during stressful events¹.”

Calming Care helps support dogs with anxious behaviors such as excessive vocalization, jumping, pacing and spinning, and helps them cope with external stressors such as separation, unfamiliar visitors, novel sounds or changes in routine and location. It also helps dogs maintain positive cardiac activity during stressful events, promoting a positive emotional state, and supports a healthy immune system.

Available through veterinarians, Calming Care should be given under your veterinarian’s supervision. If you have concerns about your dog’s behavior, talk to your veterinarian.

NSTRA Youth Scholarship Fund

A. NATURE OF AWARD: National Shoot to Retrieve is offering a one time scholarship to any son or daughter of a NSTRA member in good standing who is enrolled in their junior or senior year of high school or their freshman or sophomore year of college that meets the selection criteria. Said monetary award shall be 80% of the amount raised at the prior year's fundraising event.

B. CRITERIA FOR SELECTION:

- 1-Any high school junior or senior or any first or 2nd year college student who is the son/daughter or grandchild of an eligible NSTRA member can apply for this scholarship. For purposes of this award, "eligible NSTRA member/parent" means any member in good standing for at least 5 consecutive years prior to the submission of this application and who has actively participated in at least 6 trials in each of those years;
- 2-Applicant must submit evidence of strong academic performance to date, supported by the submission of official documentation indicating class rank, grade point average and ACT or SAT test scores. Official documentation means this information MUST be provided in letterhead from their school and/or national testing office. In the event that this documentation is not available a clear and concise explanation as to the reason must be provided;
- 3-Applicant must be enrolled or accepted in an accredited academic college and supply appropriate documentation. A letter of admission or grade slip from the college if already enrolled, constitutes adequate documentation;
- 4-Applicant must provide 3 letters of recommendation from academic advisors or teachers. These letters must specifically address the applicant's academic

- achievements and abilities;
- 5-Applicant must submit evidence of extra curricular activity supporting scholastic achievement, any other school involvement or community activities. Any letters of recommendation from NSTRA members would be in addition to the letters from teachers or academic advisors;
- 6-Applicant must submit a 3-5 page essay detailing what NSTRA means to him/her, to their family and how the "eligible parent's" participation in NSTRA has impacted on his/her life. Applicant must also explain how a college education would affect his/her future and what his/her educational goals are;
- 7-Essay must not include name of the applicant. A separate cover letter and application form with all pertinent information should accompany the application. Each application will be assigned an identification number and each will be read by the scholarship committee without a name attached to it;
- 8-It is expected that the recipient will provide NSTRA for 3 years with follow up to his/her academic achievements after receipt of the award.

C. STIPULATIONS: The recipient will receive a letter of Certification of Award from NSTRA. This letter should be presented, by the recipient, to the university who then may contact NSTRA to secure the monetary award.

D. PRESENTATION OF AWARD: The scholarship winner will be announced during the annual Dog of the Year banquet. The current NSTRA President will make said announcement. If recipient is not present, award will be forwarded.

The Importance of Dog Registration

I really wish I could have titled this article, “How To Guarantee You Never Miss Another Bird”, or, “The Secret To Training The Perfect Bird Dog”. If I did, I know that I would have had your attention for at least a few sentences. But let’s face it, the registration of our bird dogs is not the most exciting part of our hobby. I am convinced it’s not primarily because of the expense. I would bet it is because as hobby gun dog enthusiasts’, the registration of dogs is something we don’t do enough of to be well versed on how to do it. Some of us only do this once every couple years. And let’s be honest, would you rather try to figure out registration basics or kick back in the recliner at the end of the day and watch the game? Exactly.

Dog registration is important for many reasons. We won’t go into detail here regarding the time and expense you have in those dogs for fear your significant other might for some unknown reason stumble onto this. Let’s just say you have a slight investment in those dogs. Registration

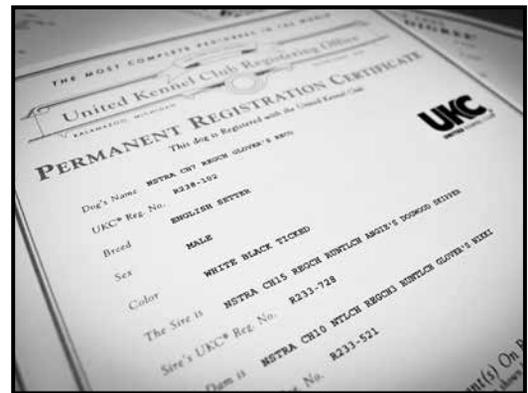

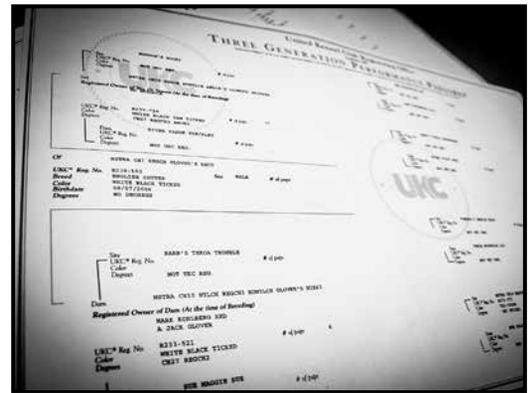

is a must to protect your investment if you have any inclination that you may breed, sell or compete with the dog in the future. I’m sure there are some good grade dogs still being hunted today, and no, maybe registration is not important to them, but they are the minority. Same for the spayed or neutered dogs. I’m sure we all agree that we need to keep our registrations up on these dogs to help retain their value.

I know how much time you spend selecting your next bird dog hopeful because I just went through the same thing. I spent hours and months looking at pedigrees to find what I was looking for. Only that didn’t seem like torture because it’s part of our game plan and it’s interesting. Let me ask you this; when you were looking for the last pup that you bought did you give any consideration to whether or not the pup’s sire and dam had any championship titles? I know you did. The only reason you had a chance to do so was because someone had taken the time to keep up on their dog’s paperwork and make sure those titles were preserved for generations to come. It is the only way we can use pedigrees to consistently breed better dogs.

Let’s take a look at the different registries with an open mind. Field Dog Stud Book was established in 1874. American Kennel Club was established in 1883. United Kennel Club was established in 1898. A little over 20 years difference between three registries that have all been in business 120+ years is insignificant. All three are well respected registries that have stood the test of time and will continue to do so. American Field and American Kennel Club both evolved very differently which ultimately resulted in each of them becoming a primary registry for different breeds of bird dogs and different styles of events. You know which breeds and events I am referring to and I don’t need to go into further detail.

United Kennel Club did not become active in pointing dog events until much later but it was at the request of hunting dog owners whose needs were not being fulfilled by the other two registries. They enjoyed a different format of event. How many of those guys cross

Registration is a must to protect your investment if you have any inclination that you may breed, sell or compete with the dog in the future.

over to the event types of the other two registries? My guess would be not very many. How many of them cross over to the same type of event administered by different field trial groups? I would say quite a few. If this is sounding familiar it should when you consider which publication you are reading this in. Fifteen years later, UKC is still fulfilling the needs of the hunter that enjoys these formats and we are growing in this area.

Now let’s discuss the topic of dual registration which is registering your dog with more than one registry. The only negative I can think of is the unfamiliarity of dealing with registrations that we discussed earlier. I understand that. Case in point, I personally am very familiar with the registration process and even I had to call one of the other registries mentioned above to clarify something while dual registering my new young dog. It can be confusing but it’s not difficult. It does require more effort than relaxing in your favorite chair but then what doesn’t? When it comes to expense, that could be an issue if one was to sit down and attempt to dual register a whole kennel of dogs at one time. In that case I can’t speak for the other two registries but UKC does work with kennel owners. In the case of one dog, I can only tell you that it cost me double to register my one new dog with one of the other registries than it would cost you to receive the same service with UKC. My point is, I do think dual registration is worth the effort and worth the expense which is why I recently did so myself.

UKC President Wayne Cavanaugh and NSTRA President Butch Jackson signed an agreement in 2012 to make UKC the official registry of NSTRA. I was very proud to be able to say that then and still am today. There are many benefits to your Association for your dog to be registered with UKC. We can elaborate on these benefits in this space in the near future. For now, let it suffice to say that the registration of your dog(s) is of utmost importance and there is only one registry supporting the NSTRA cause and it’s membership. ■

WANTED: A FEW GOOD LEADERS ...

Effective with the constitution change approved February of 2002, NSTRA will elect the offices of 2nd Vice President and Secretary this year. These officers will then begin serving their three-year term the Sunday after the annual Dog of the Year Trial.

Selecting the right candidates is very important and is the duty of a nominating committee appointed by the President. This election year, Greg Wood will be the chairman of our nominating committee and will be assisted by Todd Hendrix, Mike Stotts, Randy Schultz and Jr. Coke. Below you will find their phone numbers and e-mail addresses in order to contact them regarding running for a position.

If you are interested in becoming a candidate for these elected positions, contact one of these committee members as soon as possible but before May 30.

The official duties of the officers are listed in the Bylaws, but their duties go far beyond what is listed. Our officers spend considerable time working to improve our organization and most often their effort is little noticed. The officers meet a minimum of two times each year at the April and October meetings in Plainfield. They usually plan their meetings around our championship trials so they can reduce the travel expenses and to spend time visiting with our members to learn how to make NSTRA the best it can be. In addition, there are several conference calls and often meetings at other national trials.

NSTRA is always looking for leaders who have the time to donate and have skills that will benefit our organization. If you would like to be considered, contact Greg Wood or another nominating committee member. But be forewarned, the officers of NSTRA are required to do real work and lots of it. Being a NSTRA officer is a huge commitment of time and there is no compensation for any of our officers other than reimbursement for travel expenses to official meetings. The reward comes from being able to see good ideas blossom into reality and to provide our members the opportunity to enjoy the sport of dog trialing and their membership in NSTRA.
