We wish to thank everyone for their kindness during Bob's illness and passing. NSTRA members have been a huge part of our family for as long as NSTRA has been around and your notes, prayers, visits and calls were very comforting to us. Nearly everyone we talked with had a story to tell that involved Bob. Some were funny mishaps or travel stories. Many were trial competitions where a new person received the benefit of Bob's trial experience. All were told with a laugh and an appreciation for the training they received! It is amazing how many people he touched over the years. Bob will be missed, not only in our family but in the NSTRA family as well.

## 2019 Trust Auction

There always seems to be a little (or a lot of) competition and tension in the room when the auction starts. Which donation is going to bring the most money for the NSTRA trust? Who is going to buy that one "big ticket" item and how much are they going to pay? This year was no different. When Mikeal Mulberry and John Rawdin started the bidding, the action was fast and furious.

This year we received donations from 11 regions (CC, RM, MK, IL, OH, VA, GA, GC, WTX, AZ, AR), the NSTRA office and Initial Designs (the company that provides our embroidered awards jackets). There were a variety of donations. Some were quite creative like the bacon and brews themed basket and the mystery box scavenger hunt. The highlight of the auction was the metal bench with the NSTRA logo cut-out. Items sold from \$50 to \$750 and we raised a total of \$4,090.00.

Each region needs to start working on their donation for the 2020 DOY auction. Let's have 100% participation! ■

## News From the Officers

Greetings to All:

I just want to take a short moment and make sure we all congratulate our 2019 Dog of the Year Champion, TC's Get Lucky Lou! Lou is owned and handled by Mr. Todd Craven out of the Michigan Region and there is a complete article in this magazine dedicated to the 2019 DOY and our new champion, Lou. I don't want to steal anyone else's thunder.

As I have said since my election as national President, this magazine is the only way that I can efficiently reach out and talk to everyone who is a member wherever you are! I want to let you ALL know that two National Trials will be open for bid very soon: the Purina Endurance Classic (held in MT 2019 and 2020) and the UKC Performance (held in IA 2019 and NE 2020). I'm specifically looking for exciting bids by any region board of directors in the West for one or both National Trials. We would love to continue holding a National Trial in the West!

So, please talk it over and ask your leadership to put together a proposal. Although the Big Sky Region and Lewistown MT are awfully hard to beat, I am confident that beautiful grounds able to host one or both of these National events exist all over the West. There has to be a western location where the National officers' can sanction a National Trial and give ALL of our members in the West an opportunity to be able to participate! Let's all work together and see if we can get this accomplished.

By the time you read this, the Quail Forever Championship will be over in Lake Wales, Florida. Once again, we have a National trial that is full with 128 dogs plus a substantial bye list. I cannot say thank you enough for how you, the membership, are supporting National Trials.

I would like to also report that National Secretary Nance Ceccarelli is in the final approval stage with a new publisher of the updated 2020 Rule Book and printing is imminent. In addition, the National Officers have authorized her drafting new language to amend the NSTRA Constitution and By-laws to enable the use of electronic voting systems for National Officers Elections. Nance and J.W. Collins (Kentucky region) are preparing for the Fantastic 2020 Trial of Champions (TOC) and the Inaugural 2020 National Amateur Championship (AmCham) in Amo, Indiana, during the last week in April. With a maximum of 128 slots for the TOC and 64 slots for the Am Cham, we look forward to hosting as many of you as possible. Don't miss out - Get your dogs entered!

National Treasurer Cheryl Higham continues to improve our financial systems and simultaneously burns the midnight oil developing and signing committed new National sponsors: Quail Forever, Dakota 283, and Ramard, Inc. 1st VP Mikael Mulberry is relentless in his tireless work on our operating system as we are regularly pushing through updates. 2nd VP John Rawdin is knee deep looking at organizational insurance and a global rewrite of the National Officers Handbook - and all the while, is the Chair for the National Quail Forever Championship in Lake Wales, Florida.

I cannot say enough about this group of officers or the amount of work that they are doing for you, the member, to make this organization better each and every single day. We are all blessed to have them.

Until next time. Hope to see you down the road.

Ron Huels

# Important things to remember!

## **Purina Endurance Classic:**

Entry into this trial will be based on all open points earned from June 1 through May 31. Points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial do not count; however, points from qualifying rounds do count.

## **TOP PERFORMANCE:**

Dogs must have at least 20 open points from June 1 through May 31 of the applicable year to be eligible. Points will be from weekend trials only. From there, the award will be based on national trials and regional eliminations. The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1 in order to keep the number of nationals the same each year. The Regional Elimination trial will be based on regularly scheduled regionals for each year and only one regional can count per year. Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. For national trials, a dog must make the Saturday cut to receive a qualifying score. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1 – 800, 2 - 775, 3 – 750, etc.). In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1 – 600, 2 – 575, 3 – 550, etc.). In addition, 100 points will be awarded to the Champion, 75 for the second place dog, 50 for the third and 25 for fourth. The placement for the regional eliminations and national trials is determined by the score of the last round in which the dog ran.

## **HALL OF FAME NOMINATIONS:**

Hall of Fame nominations will be accepted November 1 through March 31 of each year. Send these to the office. Nominations of dogs to the NSTRA Hall of Fame are NOT "carried over" to following years should the dog not be elected in the year nominated. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted each year in order to be considered for election.

## **TRIAL SCHEDULES:**

Fall trial schedules are due in the office by May 1. Spring trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

## **SCHEDULING FEES:**

Trial scheduling fees are requested in the NSTRA office at least 4 weeks prior to your trial date in order to mail the packets on a timely basis.

## **TRIAL REPORTS:**

Trial reports are due in the NSTRA office 10 days after the trial date.

## **QUAIL INVITATIONAL:**

This trial is always held the last week in February that includes a Saturday. The qualification period for this trial is Nov. 1 through Oct. 31. This includes all points earned during the time frame, except points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial (qualifying rounds do count). Entry into the trial is based on points (dog with most points first to get in and on down the list, etc.). NO INVITATIONS WILL BE SENT. Any dog with a placement during the specified time frame will be eligible to enter. Amateur points do not qualify entry into Championship trials.

## **TRIAL OF CHAMPIONS:**

The criteria for entry into this trial is that the dog has earned an open championship and is at least a 1X open champion by February 1 of the current year OR the dog can be a paid standby for this trial by achieving their open championship between February 2 and March 31 of the current year.

## **UKC PERFORMANCE CLASSIC:**

The qualification for this trial is points earned from April 1 to March 31. Weekend trials only. No points from qualification or final rounds of national championship or regional championship trials will be counted.

## **DOG OF THE YEAR:**

This trial will begin on Wednesday of the last full week of October. This trial is based on region elimination placement and/or high point status. All entries must be postmarked 45 days prior to the first day of the Dog of the Year trial. (NO INVITATIONS WILL BE SENT.)

## **HOME REGION:**

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1 and January 1. \*Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at anytime to request a change in their Home Region.

## **ASSOCIATE MEMBERSHIPS:**

Associate memberships are available to members' spouses and children 18 years and under, still living at home. There must be at least one regular paid membership in the household to qualify. Associate members have the same rights as regular members EXCEPT they are unable to vote in any regional or national elections including rule or by-law changes, they cannot hold an office, and they do not receive a magazine.

## **RULE CHANGES:**

Proposed new rule changes or additions shall be submitted sixty (60) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

## **CONSTITUTION/BY-LAW CHANGES:**

All proposed amendments to the Constitution and By-laws shall be submitted to the National Officers at least ninety (90) days prior to the first day of the Trial of Champions or the Dog of the Year trial.

## **REGION HIGH POINT:**

Points earned in the qualifying rounds of a Regional Elimination or a Championship trial DO count towards the region's high point competition. Points earned in the finals of above trials DO NOT count towards the region's high point.

## **OWNERSHIP CHANGE:**

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of the papers with the new owners' names to the office. Transfer copies will not be accepted. The date of transfer will be the date shown on the papers.

## **FIRST TIME PLACEMENTS:**

The National Office now requires a copy of the dog's registration certificate for first time placements. This can either be submitted by the owner or the trial chairman. We will accept copies by fax (317-839-4197), e-mail (office@nstra.org) or a photocopy by regular mail.

## **NSTRA Distinguished Members:**

The NSTRA Distinguished Members award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. This award will be presented annually at the Dog of the Year banquet. Nominations are to be submitted by August 31. A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included if available. Contact the NSTRA office for a list of criteria.

The committee will review all nominations and verify contributions. Decisions will be made not only by the information submitted but by any other information collected.

The committee will make their decision by September 30. A permanent plaque will be located at the NSTRA office with a smaller plaque awarded to the individual or their family if deceased.

# Hall of Fame: Buddy's Mini Cooper

Bruce and I bought this little gift from God from Jim Doughty in 2006. Bruce wanted me to look at a Brit because he was tired of chasing after the big-running setters. Nolan Huffman directed us to Jim and the hunt began. After many photos and phone calls, I picked Coop. Jim kept telling me that he wasn't sure I wanted him because his tail was a little short. I answered, "Jim, the tail doesn't find birds and every time I see a photo of him, he's at the quail pen". At 8 weeks old, he was headed to Florida.

Coop was trained by Butch Butler. While at his place, a friend told Butch, "You're not going to believe this but Cooper's in the large oak tree out on a limb." Yep, there he was pointing a quail. The first time Coop made a debut was at a pretrial for the QI. He went 6-6 and Ricky Gunnyon said, "Where the heck did he come from? He runs like a pointer but in a Brittany body." There went the theory of not chasing big running dogs.

After Bruce passed away Butch ran him, but I could see the potential in the dog and he needed more experiences and exposure on the trial circuit. I brought Sam into the picture and he agreed to give it a try. Sam was, and still is, a pointer guy and he caught a whole bunch of trash talk about running a Brittany. The team started and the first two times Sam ran him he got beat 5-0; not a good start. Sam wasn't sure this was going to work but he wanted to take him home to bond with him. Bond they did - sitting in a recliner eating Wing House chicken wings. They became quite a team. Sam proceeded to put 10 championships on Coop from 2011-2016. Sam and Coop racked up 182 points, 123 of them first place points. Coop was a 3X Florida Regional Champion, High Point

several times, and 2012 and 2014 QI Champion.

When running for the final four spots in the 2012 QI, Sam came off the field and asked me if he made it into the final four. I looked at him and said "That's a belt buckle". The smile that came on his face was unforgettable and they went on to win the championship and Sam's first National Buckle. Coop is responsible for getting Sam and Clayton interested in the National Trials and they began traveling from trial to trial and state to state. Coop placed in 13 states across the country and the Ashmore dog number and trailer capacity increased after that.

I want to thank the Ashmore family for including Coop and I in their family. Sam, Nancy, Clayton and Brandy are special people and have a permanent place in my heart. I love them all to the moon and back.

I want to thank the NSTRA officers and family for giving Coop this final award. "He truly was a very special dog." ■

On Thursday night, everyone was treated to a dinner from NSTRA of brisket, pulled pork, rib tips with green beans, scalloped potatoes, baked beans and dessert. Another wonderful meal for the troops. In fact there was little room left.

A special award was presented to Marilyn Cunningham for her 16 years of service to NSTRA as Secretary and 2nd Vice President on her retirement from office. NSTRA will be forever indebted to Marilyn for her service and steady hand for all those years.

It was a very competitive trial and a thanks to all of our sponsors Greg Blair and Mike Botts with Purina, Rehan Nana with Garmin, and Dion with Red Haw Supply. With your support, NSTRA is able to play this game.

Looking forward to the next trial in Florida – remember:

Ron Huels, NSTRA President, and Greg Blair, Purina area manager

# 2019 Illinois Region Benefit & Shriner's Trial

In 2018, Ron Huels told us “what used to take a village to put together, the Shriner’s Trial has now advanced to the size of an army.” Now fast forward to the 2019 Shriner’s Trial – Ron Huels drafted his army (and added a few more new recruits) to make once again another successful event. With Ron as our leader, these tireless individuals keep on giving whether it is rounding up donations for the auction, selling tickets, preparing fields, gathering bikes, judges, and field marshals and yes, even fish for the fish fry. Or you drove 50 to 500 miles to help make this event happen; the list goes on and on! Additionally, I would be remiss if I did not mention how earlier in the week we received the sad news of our dear friend Bob Cunningham passing away. With Marilyn having always been our Trial Coordinator, Julia Herwehe without hesitation - literally dropped everything and drove down from Indiana to let Marilyn be with her family. Julia handled this spur of the moment Trial Coordinator role flawlessly. She even received a standing ovation at Saturday evening’s banquet,

Saturday evening the participants and their families enjoyed a dinner at the Banquet Hall, followed by the awards presentation from Friday and Saturday’s placement winners. And last but not least were the raffle ticket drawings and the auction. Congratulations to those who won the raffles and auction items and many thanks to everyone who donated or purchased a ticket or auction item.

Once again, we have raised over \$30,000 for the children! With that being said, I’m confident Ron Huels would join me in saying how amazing our NSTRA community is and what you are able to accomplish for the benefit of the children (past, present and future) at Shriner’s Hospital in St. Louis.

## What does a NSTRA Scholarship provide?

NSTRA scholarships are awarded every year to NSTRA members' children and grandchildren, many of whom are NSTRA members in their own right. Since the inception of the program in 2002, deserving young women and men receive funds to further their education. But what else does NSTRA actually provide, besides the money? In 2019, the two awardees had similar responses to that question.

First: they both established that hard work and dedication pays off. Each articulated that the skills they learned as a result of training dogs and participating in field trials in a multitude

of capacities, established a work ethic that directly applied to classes and extra-curricular activities. Second; both described a close positive relationship with their fathers. Third, was the opportunity to meet people from all over the country and the family-like atmosphere that NSTRA creates at all levels of participation. NSTRA is more than just an organization about competing with bird dogs. We are fundamental in building the successes of the next generation as we offer opportunities not found elsewhere in the lives of many young people today.

### Anastacia Paitz

daughter of David Paitz, Mid West Region.

She is currently a Freshman at the University of Nebraska-Lincoln studying to become a veterinarian. In high school she maintained a 3.78 GPA while taking classes that included advanced chemistry, agriculture and animal science. A

well-rounded student, she was involved in FFA, 4-H, varsity softball, and band.

In her letters of recommendation, her instructors cited, "She is a rare example of a student who consistently surprises herself with her own ability to solve difficult problems." and "The character that Ms. Paitz demonstrated on a daily level as well as the positive attitude that she exudes are a rare find and enjoyed by all that she comes into contact with."

When referring to her dad and his involvement in NSTRA, Anastacia says, "It proves to me that when you love something as much as this, you will do as much as you can to see it thrive.

### Rachel Daniels

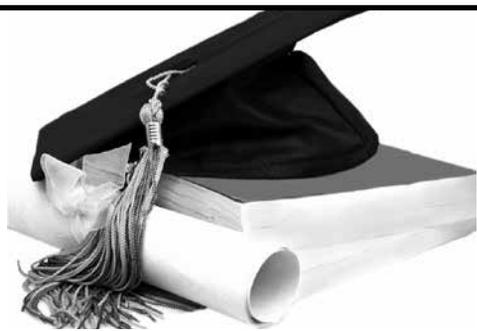

daughter of Robert Daniels AR-LA Region.

She is studying political science at the Sally McDonnell Barksdale Honors College at The University of Mississippi with the goal of becoming a lawyer. Rachel graduated with a 4.22 GPA while taking many advanced courses in English,

history, biology and physics. In addition, she was involved in several clubs, her church, and community service. She participated in cross-country where she was All Conference. She was also a Girls State Delegate. All of this doesn't leave a lot of free time unless you work hard and are very organized.

Her elementary school principle stated, "In the time I have known her, she has exhibited pristine character, superb leadership, strong moral character and a caring heart. I truly feel like she is a shining star that does our school and community proud, and believe with my whole heart that she will do the same in representing your organization in a similar manner"

NSTRA is proud to enjoy the representation by these young achievers! Congrats to Stacia and Rachel!

# NSTRA Youth Scholarship Fund

**A. NATURE OF AWARD:** National Shoot to Retrieve is offering an one time scholarship to any son or daughter of a NSTRA member in good standing who is enrolled in their junior or senior year of high school or their freshman or sophomore year of college that meets the selection criteria. Said monetary award shall be 80% of the amount raised at the prior year's fundraising event.

**B. CRITERIA FOR SELECTION:**

- 1- Any high school junior or senior or any first or 2nd year college student who is the son/daughter or grandchild of an eligible NSTRA member can apply for this scholarship. For purposes of this award, "eligible NSTRA member/parent" means any member in good standing for at least 5 consecutive years prior to the submission of this application and who has actively participated in at least 6 trials in each of those years;
- 2- Applicant must submit evidence of strong academic performance to date, supported by the submission of official documentation indicating class rank, grade point average and ACT or SAT test scores. Official documentation means this information **MUST** be provided in letterhead from their school and/or national testing office. In the event that this documentation is not available a clear and concise explanation as to the reason must be provided;
- 3- Applicant must be enrolled or accepted in an accredited academic college and supply appropriate documentation. A letter of admission or grade slip from the college if already enrolled, constitutes adequate documentation;
- 4- Applicant must provide 3 letters of recommendation from academic advisors or teachers. These letters must specifically address the applicant's academic

achievements and abilities;

5- Applicant must submit evidence of extra curricular activity supporting scholastic achievement, any other school involvement or community activities. Any letters of recommendation from NSTRA members would be in addition to the letters from teachers or academic advisors;

6- Applicant must submit a 3-5 page essay detailing what NSTRA means to him/her, to their family and how the "eligible parent's" participation in NSTRA has impacted on his/her life. Applicant must also explain how a college education would affect his/her future and what his/her educational goals are;

7- Essay must not include name of the applicant. A separate cover letter and application form with all pertinent information should accompany the application. Each application will be assigned an identification number and each will be read by the scholarship committee without a name attached to it;

8- It is expected that the recipient will provide NSTRA for 3 years with follow up to his/her academic achievements after receipt of the award.

**C. STIPULATIONS:** The recipient will receive a letter of Certification of Award from NSTRA. This letter should be presented, by the recipient, to the university who then may contact NSTRA to secure the monetary award.

**D. PRESENTATION OF AWARD:** The scholarship winner will be announced during the annual Dog of the Year banquet. The current NSTRA President will make said announcement. If recipient is not present, award will be forwarded.

# REGIONAL TRIALING

*The National Shoot To Retrieve Association (NSTRA) was founded by a group of dedicated bird hunters looking for a way to extend the fun they enjoyed with their bird dogs after their season ended. Field Trials, under hunting conditions, were the answer. Field Trials provide an extended the season, a sportsmanlike environment and competition with others who enjoy bird dogs.*

*Send all Regional Trial information, highlights and photos to NSTRA office to be placed in the next publication.*

## ARKANSAS REGION

### AR/LA Region – Razorback Holiday Melee, December 14 & 15, 2019, Monticello, AR

The Razorback Club had one of the best trials in years in December. Dollie Jo and Jeremy Cloud chaired the trial. Dollie Jo’s cooking was superb. The trial was very well judged and featured a Saturday night catfish supper. All enjoyed the trial as stories and laughter abounded. Thanks to our friends from Iowa and South Louisiana for making the trial even better.

# FLORIDA/CENTRAL CANADA REGION

## Florida / Central Canada Challenge - January 4 & 5, 2020

### OMGosh What a fun weekend!

This bounced back and forth all weekend. Canada had Florida in a hole most of Saturday but Florida rallied with a great run from George III and Dude, who came out of retirement, to have a 5/5 run. Then mid-afternoon the down-pouring sheets of rain that started off the afternoon and the day ended with Canada just a few points behind Florida...

Florida 44 points  
Canada 41 points

That night we had an international dinner, Burgers for Florida and Poutine from Quebec and an appropriately decorated cake. Before dessert was served, each group proudly sang their National Anthem.

Sunday morning set the pace and it was game on with no holds barred. Canada really put Florida in a hole especially with Bob Pytel's 5/5 bird run with Julius. Mara Fizedale and Friday took the field and countered with another 5/5 and brought Florida on a catch-up mode.

# FLORIDA/CENTRAL CANADA REGION

## Florida / Central Canada Challenge - January 4 & 5, 2020

It then bounced back and forth the rest of the afternoon with runs from Etienne and Colt and Mara and Truman. At the end of the regular trial it was all tied up at 79 points each.

Each team huddled and sent their best dogs of the day back out for a tie breaker:

- Etienne and Colt from Canada
- Mara and Friday from Florida

Birds planted, timer set and they were off. When judges Randy Cunningham and John Griffiths came in, each handler had two birds and it remained a tie.

81 points for each - Florida & Canada

What a great event! Special thanks to judges John and Randy and bird planter Will Heddon Jr. A huge thanks to Mara who got each team hats and donated the cake and burgers. ■

# HOW TO SEND HI-RES PHOTOS FROM YOUR PHONE

The NSTRA office is asking all member who take photos at events and/or submit photos to be published in the NSTRA magazine to review the below information.

With many members submitting cell phone photos, the office has had numerous problems. Photos out of focus, low res, and screen shots of photos are not acceptable for printing in the magazine.

BELOW ARE SIMPLE STEPS TO FOLLOW:

**1.**

The easiest option here is to email all photos to yourself. In the subject line or in the body of the email, write info, name, last name, dog name, and additional information that may be needed for the office. We need to know who these people are and their dog's names. (Submit all photos to NSTRA properly identified)

**2.**

When you click "Send", a menu will pop up asking you what size to send. Do NOT select Large. You want the option that says "Actual Size" and as you can see from this screenshot, that's the largest file size.

## CONSIDER THE FOLLOWING WHEN TAKING A PHOTO AND HAVE FUN DOING THEM!

Don't stand too far back from the subjects.

Check out the background in photos. If cluttered move everyone to a better location. Is photo in focus? Are people smiling? Are faces too shadowed? Are there alcohol bottles in photo? Are dogs in proper placement order? Are training collars removed?

### Not Accepted:

- Screenshots of your photos.
- Captions typed directly on a photo.
- Low resolution.
- Photos embedded in word docs.
- Blurry Photos.
- People cropped out of photo.
- Alcohol bottles in photo.

If you submit photos that are not acceptable for printing, we will try and let you know, however with deadlines your photos may not be published.

Make sure subjects are well lit in front.
