# President's Letter

Dear NSTRA members:

As of the date I am writing this letter three weeks elapsed since the NSTRA Presidential "torch" was passed to me.

To begin with I want to thank Ron Huels and Mikeal Mulberry for their dedication and service during their term(s) of leadership. I am quickly learning this is a semi-full-time job and to date; I am actively attempting to wrap my head around all the duties and responsibilities involved to ensure that our members get everything they need to have successful trials.

In the first week of my term, it became apparent how much time and effort our officers put in daily. Pulling back the curtain on the inner workings of NSTRA is illuminating. This officer group is putting the magazine as priority one. Marilyn Cunningham and Nance Ceccarelli together are moving forward with laser focus.

Rick Manfredi is working diligently on financial planning and reconciliation of day to day NSTRA business, as well as "sharpening the pencil" to national events and expenditures! Rick has also raised his hand to help with our national sponsors.

John Rawdin will now oversee the trio of National NSTRA Awards: Distinguished Members, Hall of Fame Dogs, and Scholarships. Criteria for this recognition is reprinted in our magazine, is available on the website, and the National Officers are happy to assist you with applications and nominations.

In the NSTRA office, our manager Kari Lindecamp just completed her first year and is getting comfortable with the inner workings of NSTRA and bird dogs. Elizabeth Larch has been on a leave of absence, and we hope she can return soon. In the interim, I would like everyone to welcome MaryAnn Routh who is filling in admirably.

The 2021 Dog of the Year trial is in the books and what a great trial it was despite a little rain and mud. It was refreshing to see new faces in the final hour, Thad Townsend and Scott Beaudette, both from the Michigan Region, with their German Shorthairs and newcomer Scott Beaudette and Trigger with the win. Congrats to Scott, Thad, to all who braved the weather and took the time to show up and go for that coveted National win!

As your president I look forward to working with our incredible membership. If there are questions or suggestions, please don't hesitate to contact the officer in charge of your Region or me. Without a crystal ball I cannot predict where we will be in three years, but I can promise you I will always have our membership, and what is best for our organization in the forefront of every decision.

Regards always,

Bill Sumpter

# NSTRA MEMBERS - Important things to remember!

## Reminders – check back often!

National trials are the responsibility of the National Officers with input from the Board of Directors and the local co-chairs of national trials. Criteria for entry, which may be subject to change, for the original 5 National Trials is available in the reference section of the Rule Book beginning on page 41, Section 11. If a particular national trial is subject to changes in the entry criteria, there will be notice provided on the official entry form, in the magazine, on the national website, and/or by email if available.

To enter a national trial, you may submit a hard copy official entry form and payment, OR you may scan and email an official entry form with payment information, OR you may send by facsimile and official entry form with payment information, OR you may enter and pay on-line on the website. NO EXCEPTIONS.

Please note that additional new national trials may be added from time to time and do not yet appear in the current Rule Book. Please contact your National Officer Representative or the National Office staff for additional information regarding such trials. The current list of National Trials is as follows:

**QUAIL FOREVER**, formerly known as Quail Invitational. This is a revolving trial generally held in February.

**TRIAL OF CHAMPIONS**. This trial is held in Amo, Indiana, in April.

**UKC PERFORMANCE TRIAL**. This trial is a revolving trial generally held in June.

**PURINA ENDURANCE CLASSIC**. This is revolving trial generally held in September.

**DOG OF THE YEAR**. This trial is held in Amo, Indiana, in October.

**NATIONAL AMATEUR CHAMPIONSHIP** is a new trial (Dec 2020). The intent is to be a revolving trial.

## TOP PERFORMANCE AWARD:

To be eligible:

\*Dogs must have at least 20 open points accumulated in weekend trials between June 1 through May 31 of the applicable year. Once a dog is eligible, a schedule of scoring is applied based on the results at

regional elimination trials and National Trials

\*The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1 in order to keep the number of national trials the same each year.

\*The Regional Elimination trial results used in calculating Top Performance Awards is the regularly scheduled regional elimination championship in the qualifying year/season (only one regional can count per year). Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1 – 600, 2 – 575, 3 – 550, etc.). The placement for the regional eliminations is determined by the score of the last round in which the dog ran. In addition, 100 points will be awarded to the Champion, 75 for the second-place dog, 50 for the third and 25 for fourth.

\*The National Trials results are calculated as follows: A dog must place in the top 32 dogs to receive a qualifying score from that trial. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1 – 800, 2 – 775, 3 – 750, etc.). The placement for the national trial is determined by the score of the last round in which the dog ran. In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth.

## HALL OF FAME NOMINATIONS:

Hall of Fame nominations will be accepted in a rolling calendar throughout the year. Send these nominations to the nation office, or to a national officer no later than March 31 of the year in which a dog is to be considered. Nominations of dogs to the NSTRA Hall of Fame are NOT “carried over” to following years. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted in order to be considered for election. The National Officers, in concert with the Board of Directors, make selections to the Hall of Fame each April.

## TRIAL SCHEDULES:

Fall/winter trial schedules are due in the office by May 1. Spring/summer trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

## SANCTION FEES:

Trial sanction fees are required BEFORE a trial packet is mailed and before a trial may be “approved” in the system. Please pay all sanction fees at least 4 weeks prior to your

trial date to ensure prompt mailing of the packet and to ensure that the trial may be drawn in a timely manner.

## TRIAL REPORTS:

Trial reports and results should be entered into the trial draw system as soon as possible after a trial and no later than 10 days after the trial date. Overall results will not be approved until the reporting is complete. First place points and championships will not be confirmed or awarded until the reporting is complete. (This includes receipt of all registration paperwork for placing dogs.)

## HOME REGION:

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1 and January 1. \*Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at any time to request a change in their Home Region.

## ASSOCIATE MEMBERSHIPS:

Associate memberships are available to members' spouses and children 18 years and under, still living at home. There must be at least one regular paid membership in the household to qualify. Associate members have the same rights as regular members with respect to participating in field trials (e.g., owning dogs, handling dogs, judging, bird planting, etc.). Associate member may not vote in any regional or national elections including rule or by-law changes, they cannot hold an office, and they do not receive a magazine.

## RULE CHANGES:

Proposed rule changes or new additions shall be submitted sixty (60) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

## CONSTITUTION/BY-LAW CHANGES:

All proposed amendments to the Constitution and By-laws shall be submitted to the National Officers at least ninety (90) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

Continued on next page.

# Important things to remember

(continued from previous page.)

## REGION HIGH POINT:

Points earned in the qualifying rounds of a Regional Elimination or a Championship trial DO count towards the region's high point competition. Points earned in the finals of above trials DO NOT count towards the region's high point.

## OWNERSHIP CHANGE:

Once a dog takes a NSTRAs placement, any subsequent ownership changes must be sent to the NSTRAs office. Please send a copy of new registration papers with the new owners' names to the office. The date of transfer will be the date shown on the registration papers.

## FIRST TIME PLACEMENTS:

The National Office now requires a copy of the dog's registration certificate for first time placements. This can either be submitted by the owner or the trial chairman. We will accept copies by fax (317-839-4197), e-mail (office@nstra.org), or a photocopy by regular mail.

## NSTRAs DISTINGUISHED MEMBERS:

The NSTRAs Distinguished Members award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. This award will be presented annually at the Dog of the Year banquet. Nominations may be submitted at any time to the staff at the national office, to a National Officer, or to the current chair of the Distinguished Members Committee. A short description of the individual and their contributions to NSTRAs should be sent to the national office. A picture of the individual should be included, if available. Contact the NSTRAs office for a list of criteria. The committee will review all Nominations and verify contributions. Decisions will be made not only by the information submitted but by any other information collected. The committee will make their decision by the April Board of Directors' meeting. A permanent plaque will be located at the NSTRAs office with a smaller plaque awarded to the individual or their family if deceased.

# 2021 UKC PERFORMANCE CLASSIC NATIONAL TRIAL

*The sun rises on the UKC Performance in Waverly, Nebraska*

The 2021 UKC Performance is one for the record books. John Resa managed to handle two dogs to the final hour and when it was over, he and Jill repeated their win from 2020.

The Rock Creek grounds were in excellent shape thanks to the club with special mention to Todd Hendrix and David Paitz. Lunches were provided each day with a special thank you to Kim Lathrop, Natalie Rydal, Kerrie Murphy, and Natalie Hendrix. Also, thanks for to Bill Sumpter, Aaron Hunt and others who cooked steaks on Thursday night and breakfast each morning. The food was excellent throughout the trial. The trial was blessed with no rain (a first) although the temperature was warm reaching low 90's on Saturday. For this trial, in the first round, the top 16 dogs on each field on Wednesday and Thursday advanced to the second round on Friday. Through the rest of the rounds, it was beat-your-bracemate. The trial was full at 128 dogs and 11 dogs on the bye list were unable to participate.

Each dog's handler was awarded a whistle, lanyard, UKC Performance engraved cup, and T-shirts & koozies supplied by Sara Moore at [mooresj@tds.net](mailto:mooresj@tds.net). Purina ProPlan provided a six-pound bag of food for each dog entered.

Wednesday morning started with Ron Huels, NSTRA President, honoring the NSTRA veterans as a part of a Memorial Day Celebration.

*From left to right: Ron Huels, Lewis Burson, Ian Johnson, Mark Schwake, Jeremy Cloud, John Cullen, Bob Powers, Rick Manfredi, Harold Smith, Jim Wall, Dave Lathrop (not pictured, but proud veterans Scott Townsend and Jackie Schlarbaum)*

Even though John Resa had handled Morrow throughout the trial, George Sterner III had to step-in and handle his own dog in the final hour. It was an exciting final hour. John Resa and Jill marched around the field picking off 7 finds scored 84, 68, 87, 86, 89, 93, & 85. The retrieves were s/84, 86, 84, 85, 85, 79, & 85. Jill's obedience was 70 and ground cover was 78 for a total score of 1,328. Jill had scored a back in round 3 so she was designated champion. Morrow and George Sterner III had a good showing with 3 finds of 80, 80 & 82 and 3 retrieves of 59, 80, & 90. Morrow's obedience was 55.5 and ground coverage was 76 for a total score of 602.5.

The final 4:

**Champion – John Resa / Jill;  
1<sup>st</sup> Runner-up George Sterner III / Morrow,  
2<sup>nd</sup> Runner-up Kara Laraway / Jersey and  
3<sup>rd</sup> Runner-up Dean Goodall / Cowpie**

**3rd Runner-up Dean Goodall with Cowpie presented by Rick Manfredi, NSTRA Treasure & Trial Chairman**

The 3rd runner-up was Goodall's Rockin Ann O'War (Cowpie) owned and handled by Dean Goodall. Cowpie is a 3-year-old German Shorthair pointer female. The sire is Rockin G's Warhead and the dam is Rockin G's Mary Ann. Cowpie has 21 open NSTRA points and 18 open first place points to be a one-time champion. Until this trial, Cowpie's best showing at a national trial was 8<sup>th</sup> in the 2021 Quail Forever. Dean was awarded a UKC finalist chair, a Purina runner-up jacket and Purina ProPlan, a Garmin gift certificate for 30% off, a Montana Silversmith belt buckle, a NSTRA commemorative trophy, Red Haw Supply (Dion Bliss) gift certificate, a gift certificate for \$50 from Dogs Unlimited, and 4 months of Total Canine Relief from Ramard. Congratulations to Cowpie and Dean Goodall.

**2nd Runner-up Kara Laraway with Jersey and Rick Manfredi**

**The 2nd runner-up was True Blue's Jersey Girl** owned and handled by Kara Laraway from the Michigan region. Jersey Girl is a 6 year old German Shorthair Pointer out of sire Crosswind Micro Chip and dam Bucktowns One Shot Mocha. She has earned 60 total NSTRA open points and is a 3 times champion. This year, Jersey was 20<sup>th</sup> in the Quail Forever National. Kara was awarded a UKC finalist chair, a Purina runner-up's jacket and Purina ProPlan, a Garmin 30% off gift certificate, Montana Silversmith belt buckle, a NSTRA commemorative trophy, Red Haw Supply (Dion Bliss) gift certificate, a gift certificate for \$50 from Dogs Unlimited, and 4 months of Total Canine Relief from Ramard, Kara said that when they travel, Jersey Girl has to have her very own chair to sit in & now she does with one that says UKC NSTRA finalist" on the back.

Kara also said "earlier this year Jersey showed up ready to compete at the Trial of Champions in April, and unfortunately she had to be pulled. Jersey came down with a severe case of meningitis while we were there and we were scared that we would loose her. She didn't eat or drink for 5 days. After getting her home to see our vet, we narrowed the problem down to meningitis and got her on the correct treatment. Praise the lord - after a few weeks of treatment, she made a full recovery and in true Jersey fashion. decided to come out of it with a vengeance. I am so thankful for all my friends in NSTRA that helped us through that trial. As everyone knows, she is my princess! At the Performance trial, she was unstoppable. On Saturday going out for our 4th round of the day, mind you it was 96+ degrees, she pulled me all the way to the line and barked the whole time, I just shook my head and laughed. She has absolutely no quit in her. I am so blessed to be her teammate in trials (and naps). I'll never have another like her, she impresses me every single day with her will to WIN!" Congratulations to Kara and Jersey for a great trial.

*1<sup>st</sup> Runner-up John Resa, George Sterner III & Morrow with Rick Manfredi*

**The 1<sup>st</sup> runner-up was Norton's Sterndog Morrow Point** owned and handled by George Sterner III in the final hour from the Florida region. John Resa stepped in and handled Morrow until the final hour. Morrow's sire was Fancy Feather Saltyfoote and her dam was Norton's Sterndog Roxie. Morrow is a female and almost 4 years old & is a German Wirehair Pointer with only 12 open NSTRA points before this trial. In the UKC Performance, Morrow earned a total of 11 points – two 1<sup>st</sup> places in the elimination rounds & 1<sup>st</sup> runner-up in the final. What a trial! Morrow is new to the national stage, but George is not having been the 2<sup>nd</sup> runner-up in the 2012 Quail Invitational. George was awarded a UKC Performance finalist chair, a Purina runner-up's jacket and Purina ProPlan, a Garmin 30% off gift certificate, Montana Silversmith belt buckle, a NSTRA commemorative trophy, Red Haw Supply (Dion Bliss) gift certificate, a gift certificate for \$50 from Dogs Unlimited, and 4 months of Total Canine Relief from Ramard. Congratulations to Morrow, George & John for an impressive run.

*George Sterner & Morrow congratulating John Resa and Jill*

*Champion John Resa and Jill with Rick Manfredi*

**The winner was Resa's Mohawk's Jill** owned and handled by John Resa in the MidWest Region. Jill is a 4 year old English Setter out of sire Mohawk's Crude Dude and dam Resa's Mazie. She has earned 106 total NSTRA points and is a 5 times champion. Jill has competed on the National stage before. She won the 2020 UKC Performance and placed 5<sup>th</sup> in the 2019 UKC Performance so she does well in this format. Jill is lucky to have an experienced handler who has been in the winner's circle multiple times. John was presented with a UKC Performance champion chair, a Purina champion's jacket, Purina ProPlan, a Garmin 550, Montana Silversmith belt buckle, a NSTRA commemorative trophy, Red Haw Supply (Dion Bliss) gift certificate,, a gift certificate for \$50 from Dogs Unlimited, a Dakota 283-G3 Kennel, and a year's supply of Total Canine Relief from Ramard. Congratulations to Jill and John. It was a spectacular victory.

I want to thank NSTRA's Garmin sponsor Brandon Brinkman for attending the UKC trial. It was great to meet him & discuss our game & his products.

Unfortunately, some of our regular attending sponsors were unable to join us with Covid-19 out there. We missed seeing Todd Kellum from United Kennel Club and Mike Botts and Greg Blair representing Purina. A special thanks to Greg Blair at Purina who does a great job supporting NSTRA furnishing all of the dog food to the participants and winners. We also missed Dion Bliss at Red Haw Supply. We also have to thank our other sponsors Montana Silversmith, Dogs Unlimited, Dakota, and Ramard. We hope to see all these special people in the future. Without their support we could not continue doing the things we love so much.

# POSITIVE TRAINING METHODS FOR PUPPIES

WRITTEN BY EUKANUBA STAFF

To get next level performance from sporting breeds like Labs, GSPs, and all breeds in between, use positive training methods when your puppy is young. This training method rewards puppies for successfully completing a task. Once a puppy understands the kind of behavior that gets him a reward he'll want to do more of it. Here are four ways to get started using positive training with your puppy.

## PICK YOUR REWARD

In positive training sessions, a reward is used to show a puppy he has done the right thing. Puppies respond well to a variety of different rewards, but food is most commonly used. Consider using treats specifically designed for training. These treats are usually low in calories to promote a healthy weight. Some training treats contain additional nutrients like DHA to support healthy brain function.

Praise is also used in positive training and can be a kind word delivered in a happy, upbeat tone, a pat on the back or a rub on the belly. Read your dog to understand which reward he responds to best.

Using positive training methods helps build a life-long, ready-for-anything bond with your puppy.

## KEEP TRAINING SESSIONS SHORT

From maintaining steadiness on point to running marks and blinds, to casting in fields and covers, sporting breed puppies have a lot to learn. Between 8 and 20 weeks of age, a puppy's mind is like a sponge, and that's the time to establish a solid, positive training foundation. Since puppies readily absorb new information, daily training is super important.

But a puppy's attention span is short. For the most productive results, use 5-to-10-minute

training sessions, two- or three-times throughout the day. After each session, let your puppy play and have some fun. After that he'll want to take a nap. Once he's refreshed, tackle another training session followed by more play and another nap.

## USE SIMPLE AND CONSISTENT COMMANDS

Puppies respond best to simplicity and consistency. Use short, easy to understand commands and stick with them. For recall, say 'come,' and say it every time. Shifting from 'come' to 'come here' to 'come over here' confuses puppies. Confused puppies don't understand what you want them to do. Repetition makes the master, so focus on one command during each training session. Keep commands simple, consistent, and upbeat, and reward your puppy each time he gets it right. Once he has mastered the task at hand, move on to the next command.

## TIMING IS IMPORTANT

With positive training, the timing of a treat or praise is critically important. The reward should come immediately upon successful completion of the task. If time passes before the reward is given, then the puppy doesn't know what he's being rewarded for. If using treats, keep them easily accessible and deliver one precisely each time your puppy properly completes the task.

Positive training methods are a great way to develop a bold, confident sporting dog. Since it can take puppies numerous attempts to master a task, be mindful of your energy and tone throughout each training session. Stay consistent, patient, and upbeat, and your puppy will look forward to learning new skills.

# 2021 SHRINER'S/NSTRA ANNUAL FIELD TRIAL

The annual Shriner's/NSTRA field trial was held at the World Shooting Complex in Sparta, Illinois on October 15 and 16. The Illinois Region hosted the event which occurs each fall to raise money for the Shriner's Crippled Children's Hospital. People come from far and wide to participate and donate to this worthy endeavor. The Illinois Region also hold their Regional Benefit Trial on Friday before the weekend and people are kind enough to join us for the region's benefit. This year we hosted people from Illinois, Arkansas, Mid-North, Mid-West, Lone Star, Mid-South, Michigan, Northern Illinois, and Georgia. Trial Chairman was Curt Klaustermeier with Marilyn Cunningham taking entries. Both were familiar with the NSTRA trial and our thanks to each of them and to Cookie Anderson who posted scores for 4 fields – 3 days. That's a lot of posting.

Judging the event was Donny Parker, Elden Miller, Rick Bertinetti, Bob Russell, Tony Petrea, Phil Chandler, Russ Taylor, Mark Schwake, Mike Grissom, Steve Autry, Kevin Sprick, Scott Schwimley, Mark Kohlberg, Herb Ralston, J.B.Kunza, Lori Sprick, Mary K Kunza, Bill Sumper, Dean Reynolds and John Verling. Our marshals were John Verling, Ron Huels, Brandon Ralston, J.B. and Mary K Kunza, Brandon and Kristin Weathers, Todd Lambert and Beth Chandler. Bird Handlers were Kevin Schlarbaum, Kevin Sprick, Angelo Pizzo, Zach Norman, Ron Becker and Curt Klaustermeier. Our gratitude to each of these volunteers who continue to help year after year. These people never hesitate to jump in wherever they are needed.

Thanks also to the guys who made sure the fields were ready including Kevin Sprick, Curt Klaustermeier, Herb Ralston, Brandon Ralston and Ron Huels (who also furnished fuel for all the 4-wheelers). It takes so many people to make this trial occur – donations of 4-wheelers, selling raffle tickets, Ron Becker for furnishing fish for Saturday's lunch, Tim Reynolds for preparing Friday's lunch, and so many others too numerous to mention. Several Shrine members were on hand to help with the lunches for Saturday and Sunday and everyone looks forward to the BBQ ribs and pulled pork served by the Shrine people. Heading the list of running cards and meals was Jackie Schlarbaum, Alan Anderson and Beth Heflin with everything moving like a well-oiled machine. Many thanks to all who were on hand helped in any way.

Saturday evening the banquet was held at the American Legion in Sparta. A delicious meal was served to approximately 50 people. Raffle tickets had been sold to many members of NSTRA besides the Illinois Region and we appreciate all the regions who help. Winners of the raffle were Sam Ashmore – Florida member, Roger Jennings – Palmyra, Illinois and Cliff Merkel – Illinois Member.

Denver Tolbert, Past Potentate of the Ainaad Temple and Director/Board Member for the Shriner's Hospital, attended the banquet and spoke briefly about the hospital and expressed his thanks to NSTRA for their donations each year. To date, we have donated over \$600,000 to the Shriner's. Also on hand was Diane Johnson. Director of Development for Shriner's Hospital. Diane spoke at length about the hospitals and what is involved in the care of the children who come for help. Not only the children, but their families are also helped with lodging and given hope for their youngsters.

The auction began with Danny Hampton and Ron Huels auctioneering. Ron expressed his gratitude to Marilyn Cunningham for the founders of the Shriner's Trial; Gene Stremming, Bob Cunningham,

Randy Perkins and Don Rakes. These gentlemen worked endlessly to make the Shriner's Trial become a reality; a dream they all held close to their hearts. All four are no longer with us, but we have their dream and will continue thanks to all who come and participate.

Bobby Clark, Lone Star Region presented 10 years of High Point Buckles to the Illinois Region to be sure the region will continue with the trial. Many thanks to Bobby, who has been participated in all but 2 of these trials. One year Bobby and B.J. Thompson brought horses from Texas and judged the entire weekend. Talk about dedication.

The auction items sold for good money, especially a craft item made by Beth Chandler which brought over \$800. It was sold to Bobby Clark who donated it back, bought it again, donated it back and finally sold to Rick Bertinetti. The total of auction receipts and entry fees amount to just over \$25,000 with the auction accounting for approximately \$11,000 of the total. Our thanks to those who brought auction items and those who sat up the items for sale. The auction was a fun time for all. The evening ended for some and was just beginning for others. The jet-set couldn't let the evening end without something to talk about the next day. Like dancing on the bar and closing the place down. Lots of headaches on Sunday.

# Frozen Toes Trial – Dec. 4<sup>th</sup>-5<sup>th</sup>, 2021 Newton, UT

Welcome Back!! We are excited to start the '21-'22 season off right with our December Frozen Toes Trial in Newton, UT. These grounds are a familiar place for many of us to run dogs, and I believe I can speak for everyone when I say it is good to be back!

The weather forecast appeared that it was going to be a perfect weekend as we looked forward to spending time together with great people doing what we all love, running our dogs. As daylight was starting to approach, a line of vehicles made their way up the dirt road from the town of Newton, hopeful that this could be their day to have a great run. Judges were ready to go, and Glenn our longtime bird planter was at the ready. First brace handlers and dogs were eagerly waiting in the blind as it was just about time to get our new season underway, calls were made to the line, and just like that our 21-22' season was underway.

It is exciting to see so many new faces coming out to play. We have tried very hard to create an environment where people can feel welcome and be able to have the chance to learn and grow in our sport. We are very grateful and humbled to have so many wonderful new handlers and dogs joining our NSTRA family.

# SATURDAY DEC. 4<sup>TH</sup>, 2021

## A FIELD

The A field on Saturday would be judged by Rich Lowe and Barratt Gorshe, thank you for being so willing to help. In brace 9 on the day, we would have Troy Anderson and his pointer Rowdy have a great run where they were able to find 3 birds and a back for a final score of 689.5, which would prove good enough to take home 3<sup>rd</sup> place. Tracy Neilson and his young setter Sage would find 4 birds and a back in brace 12 for a final score of 896 to take home second place. The run of the day was in brace 5 when Lance Hansen and his shorthair Nelli would be lucky enough to find 6 birds and a score of 1043.5 to win the field.

Congrats to all!

## B FIELD

B Field was judged by Bret Wonnacott and Maureen Goodrich. They did a phenomenal job so thank you for being willing to judge. In the second brace of the morning Troy Anderson and Rowdy would yet again have another great run, finding 4 birds and a score of 776 to give them their second placement on the day with a 3<sup>rd</sup> place finish. Brace 6 would find Kelly Irons and his shorthair Cinder cleaning up the field with 5 finds and 5 retrieves for a score of 867 to take home 2<sup>nd</sup> place. But the run of the day in B field would belong to Jared Haddock and Boone. In the 13th and last brace of the day they would go out and produce 5 birds receiving a score of 943 to take home 1<sup>st</sup> place in B field. Nice work everyone!

# SUNDAY DEC. 5<sup>TH</sup>, 2021

## A FIELD

Sunday would prove to be another amazing day with great competition. We would have Bret Ure and Cade Allen judging for us, we sure appreciate their help as they are always so willing to help where needed. In the last brace of the day, we would see Braydon Whiteley and his liver shorthair Roan have an awesome run where they located 4 birds. They were also lucky enough to get a back off their brace-mate, which helped them get a score of 803.5 for 3<sup>rd</sup> place. In the first brace of the day Ernie Wakabayashi and his little go getter Brittany Fisher tore up the field finding 5 birds to score 839 to take home 2<sup>nd</sup> place. But the run of the day would take place in brace 11 where Andy Johnson and his awesome dog Gus would find 4 birds and get a back to win the field and take-home 1<sup>st</sup> place. Nice job Andy and Gus, congrats!!

## B FIELD

The B field was judged by Angie Wonnacott and Barratt Gorshe, thanks for all your hard work! In the last brace of the day, we would have long time player Art Trujillo show us what his incredible Wirehair could do. If you have ever watched them run it is a thing of beauty. Hank is one of the most obedient dogs you will see. They were able to find 4 birds and receive a score of 810 that would take home 3<sup>rd</sup> place and put Art back on the podium, it is good to have you back Art! Brace 10 on the day would have 5X NSTRAs champion Sunnie showing us all how it is done with a great run finding 4 birds and a final score of 820.3 to take home 2<sup>nd</sup> place. Sunnie now has 98 points in her career, 2 away from 100 which is just incredible. I am sure she will get to 100 soon, nice job. The run of the day was in brace 4 where Braydon Whiteley and Sox would find 6 birds and go 6/4 to have a score of 976 on the card. Heck of a run to win the field and take-home 1<sup>st</sup> place!

Thank you to everyone that helped in anyway, judging, marshalling, planting, setting the fields, or being there to support our region. We could not do it without the help of all of you, so thank you! We look forward to our next trial which will be in February, so please watch out for more information as we get closer. See you all next time!!

Thanks,

# In Memoriam

## Lyle H. Jordan

November 1, 1931 – April 10, 2021.

Lyle Jordan was born and raised in the Assumption, Il area – a farming community of which Lyle farmed for many years. As a youth, he and his brothers Dale (Shorty), Moose and Warren wild bird hunted and had many wild birddogs.

Lyle married Jean Jesse Jordan on January 12, 1952 and immediately after the marriage left for Germany to serve in the US Army during the Korean War. Upon returning home, Lyle and Jean welcomed four children: Wayne, Charlie, Glen, and Kathy.

Over the years Lyle continued enjoying wild bird hunting, horseback riding, and serving his community in various ways such as joining the school board and serving on the local insurance board of directors. Most importantly, he enjoyed spending time with his family and attending extracurricular activities of his grandkids.

Lyle was a long-time member of NSTRA and served on the Illinois Region Board of Directors as well as a NSTRA National President. Lyle was instrumental in helping set up the Illinois Region. His grounds around Assumption were the fields for many weekend trials along with regional eliminations. His favorite dog, Rebel, was a 1 time NSTRA Champion (only 1 point away from a 2X) and was a real point of pride for him. He met many friends during his dog trialing years and spoke fondly of them in the years beyond his trial days. His time in NSTRA provided years of stories and good memories that he treasured.

# Charles Ronald "Ronnie" Robertson,

86, of Danville, IN, passed away October 26th, 2021. He was born July 10, 1935 in Linton, Indiana to the late Charles N. Robertson and Lillian B. (Cunningham) Robertson. His childhood was filled with friends and family sharing good times fishing and hunting. He always had hunting dogs and other "pets", including ponies, a goat and a calf. He graduated from Linton Stockton High School, where he proved to be a powerhouse on the football team.

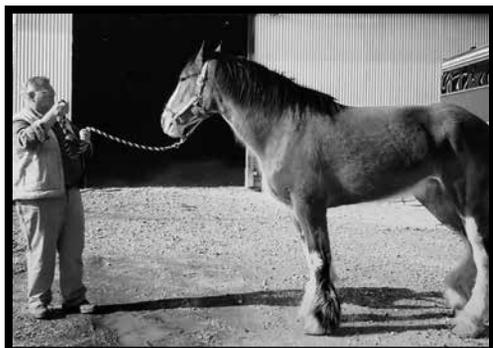

After graduation, Ron proudly served his country in the U.S. Marine Corp 1953-1956. While home on leave from Okinawa, Japan, he met Wyvonna Booker. Wy's co-worker, Bonnie, and her fiancé, Philip, who happened to be Ronnie's cousin, introduced them on a double date in September and they were married December 3, 1955. They lived off base in Cherry Point, NC until Ronnie was discharged from the U.S. Marine Corp in 1956. They moved back to Indiana, settling in Hendricks County, where other family members had moved. Ronnie worked in the sheet metal trade many years. During this time he also trained and showed Golden Retrievers, achieving AKC Championship in his first year! Ron went on to owning his own Excavating business, which enabled him to teach these valuable skills to his son and nephew, who are both still in the Excavating business today.

Ron was a retired member of the Amo Conservation Bird Dog Club and a past president of the National Shoot to Retrieve Association. He greatly enjoyed training and running his dogs in the many field trials throughout the country. Ronnie trialed several setters and pointers throughout his NSTRA career, including his favorites Boomer Boy's Clint – 1x Champion and Yacktman's Dot – 2x Champion. Ron and Wy both enjoyed deep and lasting friendships with the amazing families of the National Shoot to Retrieve Association.

He loved spending time with his grandchildren and his beloved Clydesdale horses. He often took part in parades and showed the Clydesdales throughout the country. One of his proudest moments was when Anheuser-Busch came calling to purchase one of his young Clydes. Whenever he was in the area, he could often be found "behind the scenes" at Grant's Farms or Busch Gardens Tampa Bay, enjoying every moment with the Clydesdales. (A fond memory of Shelby Albert's was riding on Ronnie's wagon while showing his Clydes at the Illinois State Fair at the age of 5 years old.) Ronnie had a soft spot for kids and had helped more than one with their dog at the Amo Club. Another year he trailered his horses to Florida where he participated in the Florida State Fair and the Ocala Horse Fair. Several NSTRA members attended both events and watched as he and Wy received numerous placements.

Survivors include his loving wife of nearly 66 years, Wyvonna Robertson of Danville, IN; children, Rhonda (Larry) Angrick, Rick (Karen) Robertson; 3 grandchildren, 3 step grandchildren and 5 step great grandchildren, his treasured nephews and countless friends.

Services were Friday, October 29th, 2021 in Baker Funeral Home Danville, IN. Burial with military honors followed in the Clayton Cemetery in Clayton, Indiana.

# HOW TO MAKE YOUR OWN DOG PAW BALM

By Liz Donovan, reprinted with permission

To some dogs (especially breeds built for cold weather), there's nothing more exciting than a romp around a snowy yard after a winter storm. But icy conditions of the yard or cold pavements can be damaging a pet's paws.

The national breed club for the Newfoundland, a large breed built for wintery work, shared with AKC a DIY paw balm recipe taken from Frugally Sustainable, which the club recommended to its Facebook followers.

Get it here:

RECIPE: DIY PAW BALM

## Supplies

- 21-24 standard lip balm tubes OR 6 1-oz. tins
- a small digital kitchen scale, optional
- small pot or double boiler

## Ingredients

- 2 oz. (approx. 2 tbsp.) olive, sunflower, or sweet almond
- 2 oz. (approx. 2 tbsp.) coconut oil (buy on amazon)
- 1 oz. (approx. 1 tbsp.) shea butter (buy on amazon)
- 4 tsp. beeswax (buy on amazon)

## Method

1. In a small pot or double boiler over low heat melt the oils, shea butter, and beeswax. Stir continuously until all is melted and well blended.
2. Carefully pour the mixture into lip balm tubes and/or tins. (buy on amazon)
3. Let them cool on the counter until hard.
4. Cap and label.
5. Keep away from extreme heat.
6. Apply the balm as a preventive treatment or to help soften dry paw pads or noses. Use within 1 to 2 years.

## OTHER PAW PROTECTION METHODS

**Booties:** Yes, your dog might look a little silly, but dog boots are actually quite effective at protecting his feet from snow and ice as well as de-icing products, which can make your dog sick if he licks it off his paws. These products can also burn pads and the sensitive skin between their toes, causing great pain and distress. "The boots my dogs wear in winter if temps fall into the single digits or below zero come from Ruffwear," says Roxanne Hawn, AKC Family Dog grooming columnist. Another popular brand is Pawz, available at most major pet stores.

**Trimming:** Keeping the paw hair short is also important as it will prevent snow and ice from forming balls that can lead to chaffing, chapping, and even cuts. Trim the hairs around the outside of your dog's paw so that it doesn't extend past the boundaries of the paw. You can also use a small battery-operated trimmer to shorten the hair between the paw pads. (Contact a pro if you have a fidgety dog or don't feel comfortable doing this.)

**Wiping:** If you choose not to use booties on your dog, be sure to wipe his feet before he comes inside to ensure that de-icing products (like salt) have been removed along with any ice balls that might have formed.
